ALBUQUERQUE, - - JUNE 30, 1900

The earlier Americans regarded the vice president us the matural success. our of the president, with whom he served. Adono succeeded Washington. and Jefferson succeeded Advisa, and even later Martin Van Buren succeeded Jackson by election. Four vice grea-Blenta have succeeded to the presidency through the death of the presidentwhn Tyler, Johnson and Chester A. Arthur. Last year the democrats insisted that Delegate Peren secured the acquittal of Manuel Gonzales, who murdered Frank Gutterres, through packing the jury at Santa Fe. Mr. Gon gains in a resultive of Mr. Peres.
